

Subject / Primary Support Package

Aim: To provide an unbiased evaluation of performance and standards and identify key developments to support raising attainment and progress in a specific subject / faculty area.

Support provided:

1. Planning and Preparation (½ day)

Analysis of results over the last three years, departmental documentation, including development plan and any internal reviews.

2. School Visit (1 day)

Review of teaching and learning undertaken jointly with Head of Subject/ Phase. This will included a review of the curriculum, joint lesson observations, a work scrutiny and an interview with a selected panel of pupils.

3. Follow up meeting (½ day)

Share findings with HOD/ Faculty and link member of SLT and agree key areas for improvement. Support HOD with updating development plan to reflect any changes in key priorities.

Outcomes:

- School leaders are able to make secure judgements on the quality of leadership and provision in a particular subject /phase
- Clear recommendations are made to improve outcomes in subject/ phase
- New or improved development plans targeted at raising attainment and progress

Cost: £770
